## Escalante Community Center After School Program

Beginning August 7th, any youth participants age 6 through 5th grade will automatically participate in our structured After School Program from the time they check in until 6:15pm on all Tempe Elementary School days.

During this time, students will participate in activities such as arts & crafts, computer education, physical education/sports, and homework assistance.

After 6:15pm all remaining participants can get picked up, walk home, or stay and participate in the drop-in program. Our drop-in program is an open door policy. Participants are only supervised in community center program areas (i.e gameroom, computer room and gym) and may leave and re-enter without monitoring.

This is a free program that requires registration. Please register at the Escalante front desk: Escalante Community Center, 2150 E. Orange, Tempe. 480-350-5800.
